Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Monday 05 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Turning much colder on Monday, with some snow showers. Windy.

Today:
A dry and largely sunny start to Monday but feeling bitterly cold in the strong northerly wind. Some snow showers will develop during the afternoon, these more likely along coastal areas. Maximum temperature 6 deg C (43 deg F).

Tonight:
A largely dry and clear night although the odd snow shower remains possible along the coast. Wind easing a bit though staying cold, with a widespread frost developing early evening. Minimum temperature -4 deg C (25 deg F).

Tuesday:
Another cold day, with sunny spells but a greater chance of snow showers, leading to temporary accumulations over high ground. Winds remaining strong. Widespread frost overnight. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:
Less cold and windy Wednesday but cloudier, with some rain overnight. Windy and somewhat milder on Thursday, with rain at times. Colder again on Friday, with further wintry showers.
